

# NCS Shop Display Solutions

NCS Colour offers a range of display solutions for different shop sizes and colour ranges. Choose colours from NCS 1950 Standard Colours or select one of the pre-made selections from NCS Colour.

## HOW TO CHOOSE A DISPLAY?

NCS Display Solutions are module-based and offer flexibility in terms of display size and colour chips options.

NCS display module:

- Colours/module: 21, 42 or 70 colours depending on chip size.
- Size/module: 270 x 496 mm (W x H)

Complete Display:

- Small 3x5 display: 1350 x 1488 mm (W x H)
- Medium 5x5 display: 1350 x 2480 mm (W x H)
- Large 10x5 display: 2700 x 2480 mm (W x H)
