

# NCS Exterior fan deck

A colour collection specially selected for exterior design and facades, but with the flexibility for anyone working with matte surfaced objects or areas. Matte finish and large samples for accurate visual representation.

- A selection of 322 matte finish colour samples.
- Unique combination of past and present exterior colours.
- Colours chosen with colour fastness, environmental concerns, external colouring, fittings and detailing in mind.

## HOW THE COLOURS ARE ARRANGED

The NCS Exterior Fan Deck is arranged in three sections to make the identification and selection process as smooth as possible:

- Classic (224 matte colours)
- Deep (28 matte colours)
- Dark & Details (70 semi-matte colours)

## COLOUR RANGE

A selection of 322 colours, with their origin in the NCS 1950 Standard Colour range.

## INCLUDED IN THE PRODUCT

- 216 pages, including 322 colours.
- Product description in four (4) languages (1 page per language).
- Instructions for how to find an appropriate exterior colour.
- Black structured paper cover.

## LANGUAGES

English, Swedish, French, German.

## WHY AN NCS PRODUCT?

The NCS System is the only colour system 100% based on visual perception of colour. Our products maintain the highest quality, in other words this means that what you see is what you get. If you're working with exterior design or other design works where a matte surface is a must, this carry-along fan deck will become your best friend.
