NCS Inspire 1058

The number one fan deck for interior decoration. Seven chapters featuring the most popular colours in interior design. Colours arranged in themes frequently used by designers & architects worldwide.

NCS Inspire 1058 is a modern colour collection for interior decoration and exterior design.

- Based on themes for efficient inspiration and navigation.
- A total of 1058 NCS Standard colours specifically selected based on NCS Colour's extensive experience from producing colour collections for the industry and collaborating with leading designers and architects.
- Based on the perfect mix of desired colours that are cost efficient to produce.
- Developed for intuitive and engaging colour selection.

HOW THE COLOURS ARE ARRANGED

A total of 1058 colours arranged according to seven (7) themes:

- INDEPENDENT Pure neutral colours, to combine with any other colour in the collection.
- NATURE Colours sampled from nature, the most widely used source of inspiration among creative professionals.
- STILL Subtle, deep colours for creating harmonious spaces.
- PALE Near white colours that provide an open atmosphere and light touch.
- INTENSE Strong colours to be used for accents and decoration.
- RICH Deep colours, offering luxury and elegance.
- ESSENTIALS A selection of nuances and hues, covering the complete colour space.

INCLUDED IN THE PRODUCT

WHY AN NCS PRODUCT?

The NCS System is the only colour system on the market 100% based on visual perception of colour. Our products maintain the highest quality, in other words this means that what you see is what you get. If it isn't already, this carry-along fan deck will become your best friend in colour design as it enables you to quickly choose colour on the spot.
